

# Integrated Public Alert Warning Systems (IPAWS) OPEN Developers

Alert origination software providers that  
have successfully demonstrated their  
IPAWS capabilities

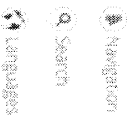

- ✓ Alert Sense
- ✓ AmberAlertGPS—LEAP (Law Enforcement Alerting Portal)
- ✓ Asher Group—Hyper Reach
- ✓ Athoc—IWS Alerts
- ✓ Buffalo Computer Graphics
- ✓ CivicPlus—CivicReady
- ✓ Comlabs—EM Net
- ✓ CommPower—iNotify
- ✓ ECN (Emergency Communications Network)—Code Red
- ✓ Everbridge
- ✓ Federal Signal Corporation—CenterPoint Dashboard
- ✓ Geo-Comm, Inc.—GeoLynx
- ✓ GSS Alert Studio
- ✓ HiLink
- ✓ Inspiron Logistics—WENS
- ✓ Intermedix—WebOC
- ✓ Interop Solutions—Paraclete
- ✓ Monroe Electronics—DAS-EOC
- ✓ NCA—E-Team
- ✓ Nixle
- ✓ KDEE Technology LLC—On-the-Go Alerting
- ✓ Ping 4—Ping 4 Alerts!
- ✓ Regroup Mass Notifications

### IPAWS-OPEN Developers Updated

7/16/2015

The organizations listed below have executed a Memorandum of Agreement (MOA) with the Federal Emergency Management Agency (FEMA) for the purpose of gaining access to the IPAWS-OPEN Test Environment.

[https://www.fema.gov/media-library-data/1438269192616-64f850f94ddc59227fe0c8612fb5900b/OpenDevelopers\\_07162015.pdf](https://www.fema.gov/media-library-data/1438269192616-64f850f94ddc59227fe0c8612fb5900b/OpenDevelopers_07162015.pdf)

The functional data contained in the following tables is based on information submitted by system developers regarding their planned IPAWS-OPEN development activity. Dashes indicate that the company has not yet submitted a report. FEMA does not independently verify the developer-submitted data nor does FEMA endorse any specific products.

#### FUNCTIONAL CATEGORIES:

- Public Alerting:** Capability to author messages over Emergency Alert System (EAS), Wireless Emergency Alert (WEA) and/or Non-weather emergency message (NWEEM) for the National Weather Service HazCollect system.
- Other:** Capability to retrieve and disseminate messages and capability to exchange information between Collaborative Operating Groups (COGS).

#### Private Sector Systems

Company	System Name	Public	Other
Alerting Solutions, Inc.	Next Generation CAP Alert	YES	YES
Athoc, Inc.	Athoc IWS Alerts	YES	YES
